We strongly recommend that you insure yourself against any cancellation or reduction in numbers.

The hotel reserve the right to cancel any forthwith booking, without liability on its part, in the event of damage or destruction to the hotel, any shortages of labour or food, strikes, or any other cause beyond the control of the hotel. In these unlikely circumstances, all efforts will be made to accommodate the booking in a similar hotel of an equal standard.

At the commencement of entertainment, speaker position and sound levels must be agreed with the Five Arrows and must not be moved or increased at any time thereafter.

We ask that you choose a band with a maximum of five members due to space and noise level control. All loading of equipment to take place in the Car Park at the rear of the hotel and we ask that all musicians and equipment leave the premises by 11.30pm.

All bands must sign an agreement to adhere to the time and sound level conditions. Any music disturbance that flaunts our Premises License will result in the immediate termination of your celebrations at the Five Arrows with the electricity being disconnected to the music.

On Friday and Saturday between 11pm and finishing at 11.45pm, the volume of the disco, I-pod or acoustic music must be turned down to a level agreed with the Five Arrows.
